

OPEN-ing Laos Higher Education System to internationalisation strategies

OPEN aims at increasing the academic quality and research activities of universities in the PDR of Laos through the development of internationalisation capacities.

Specifically, OPEN will:

- 1 Consolidate Internationalisation structure, and build human capacities of HEIs by means of targeted training programmes in 5 Laotian HEIs.
- 2 Accompany the governance reforms of MoES and enhance international networking through strategic actions in key areas of Higher Education System in Laos.

Who benefits from OPEN project:

- ▶ MoES & Higher Education Institutions benefit from strengthening of Internationalization of Higher Education System in Laos.
- ▶ Top-level management staff and university leaders from participating institutions benefit from increased awareness of different international strategies and models & cooperation at a national level on international matters.
- ▶ IRO staff benefits from increased awareness of different International practices and managerial skills, capacity built via workshops.
- ▶ Teaching, Administrative Staff and Students benefit from increasing number of international activities of Laos HEIs as well as of new services from the IROs.
